

2010-2011 Fees and Contributions

Holy Trinity operates its Christian school with a unique philosophy. Our goal is not to generate a profit or to provide income to the church. Rather, the school is an extension of our church, and we encourage principles of Christian stewardship and generosity in the support of our Christian school.

Holy Trinity Lutheran Church does not charge tuition for its elementary school (grades K-8). Instead, families with children enrolled in the school are encouraged to support the Christian education of their children through free-will offerings given to the church. The Board of Christian Education encourages families with children enrolled to strive to prayerfully consider how best they can support the operation of Holy Trinity Lutheran School.

Members and non-members receive contribution envelopes to facilitate support of the Christian education their children are receiving.

Additional Fees

Piano lessons are available through a number of fine music instructors at Holy Trinity. Their rates are comparable to others in the area, payable directly to the instructor. Music fees are not tax-deductible.

Lessons are available for other musical instruments. The band program is operated through a joint venture with Evergreen Lutheran High School. The fee for lessons is approximately **\$40 per month**.

School Cleaning

\$100 paid at registration. Parents who take their turn and clean classrooms receive this money back. If you choose not to clean, this money will be used to pay someone else for cleaning.
