

## HOLY TRINITY LUTHERAN CHURCH AND SCHOOL

Dear Holy Trinity Parents

The paths are many, but we have all been blessed to find our way to Holy Trinity Lutheran School. Our children reap the tremendous benefits of a talented, dedicated staff providing a quality, Christian education. In addition, Holy Trinity helps mold our children by teaching important life skills, building self-esteem, and instilling a better sense of community and family responsibilities.

On Saturday, May 13, Holy Trinity will be holding a themed Family Fun Fest: "There's no place like Holy Trinity." An auction to raise money for a new playground will be a part of this fun event. The acquisition of items or services to be auctioned at this event is in full swing. Obtaining quality items is a key to the overall success of this event.

To that end, we need your help! Any items which you can donate or any contacts which you can make with potential donors is critical. Attached is a donation form—for your use if you have an item/service to donate, or to pass on to a potential donor whom you know. We are looking for new and unused items or services that can be auctioned.

In addition to our need for items, we are looking for individuals or businesses that are willing to help with underwriting the costs of this year's Fun Fest (i.e. prizes for games, paper products for dinner, decorations and more). If you are interested or know a business that may be willing to help, please contact a committee member.

Finally, mark your calendar for Saturday, May 13 and please invite your friends and family to see your school and join in the fun! The evening is full of fellowship, wonderful food and great fun, all while supporting our tremendous school. More information on this event will be available in the coming weeks.

We thank you for your continued support!
